LEARNING PATH

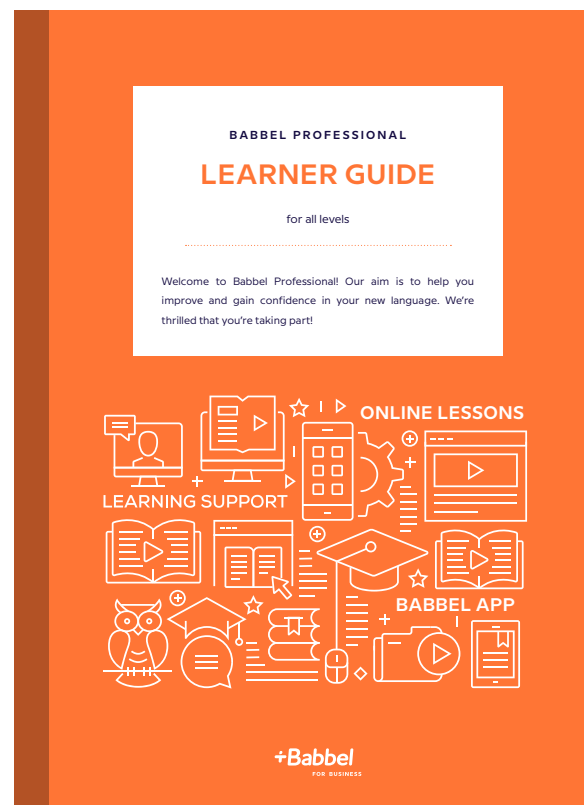

for Beginners

Before we start!

Make sure you've had a chance to look through the Learner Guide first — it's full of tips on how to set yourself up with Babbel and use this Learning Path!

Contact b2bsupport@babbel.com if you've not yet received a copy of your Learner Guide and we'll send it over straight away!

Finding your level

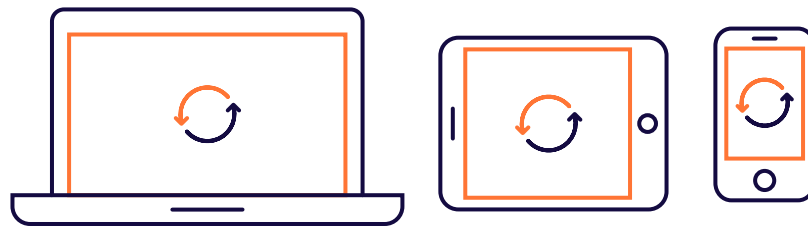

To find out which Learning Path is the best fit for you, please take our placement test, which will be linked to your onboarding email.

These are the different levels we cover on our platform:

A1	Newcomer
A1 - A2	Beginner
A2	Pre-Intermediate
A2 - B1	Intermediate
B2	Independent
B2 - C1	Advanced

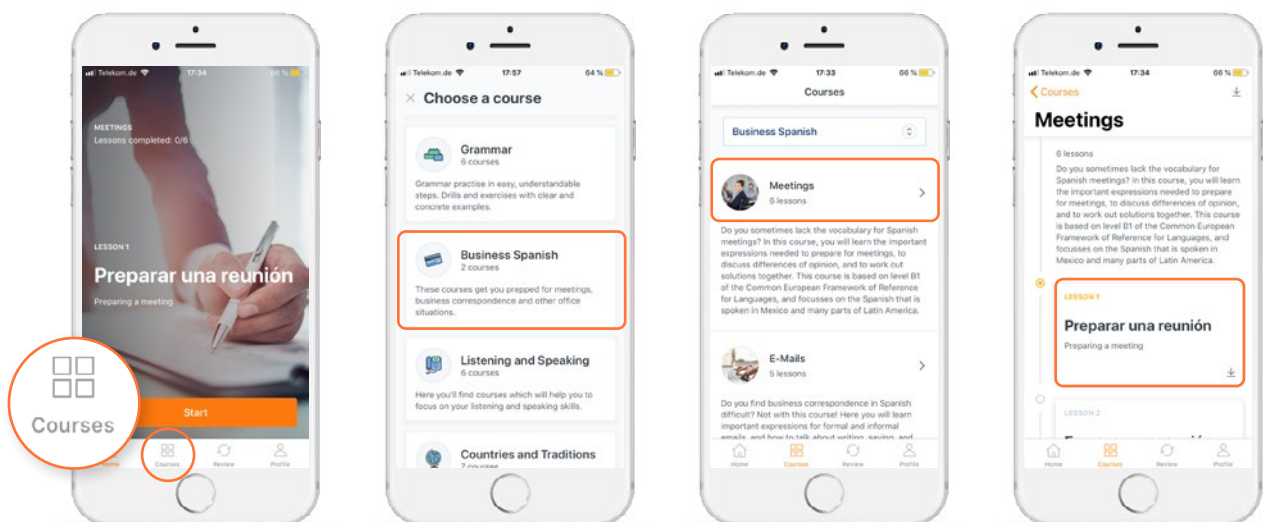

How to follow the learning path

You can use Babel on your computer, tablet, or smartphone and pick up where you left off on a different device — your progress will be synced automatically!

Each week we give you recommendations for which lessons to complete — but of course please free to browse around a look at some extras!

To find the lessons that we recommend each week, follow this route:

From the homepage, select **“Courses”**

Select your **“Course”**

Select your **“Sub-course”**

Find your **“Lesson”**

For web users: Please note that some courses can be found under the “My Level” category and others under “More Courses”. Contact us if you’re ever stuck!
Ready? Set? Let’s Go!

How to book your course with Babbel Intensive

Go to your homepage on [babbel.com](https://www.babbel.com) and click on *intensive* in the top navigation bar.

Click on “book a lesson”.

Now you can select a teacher and a suitable time by clicking on the green field. **Extra-Tip:** You can also book several sessions in advance!

You can find your booked courses on your dashboard. You can join the virtual classroom right before your course starts by clicking on „join lesson” and then start learning your new language!
